

# PostCard

Here's how the Library card works:

Start your free library membership card and earn rewards by ordering different tequilas from our library menu.

Try any you like, just mix them up.

We'll log them for you, catalogue your card, and have it for your return visit.

We'll treat you to the following favorites on the house:

5th Tequila Purchase  
*infusion shot or house margarita*

10th Tequila Purchase  
*Richard's Reposado (shot or margarita)*

15th Tequila Purchase  
*any speciality tequila cocktail on our list*

25th Tequila Purchase  
*\$20 gift card*

50th Tequila Purchase  
*bottle of tequila in a locker, librarian's selection*
