

THE WESTIN RIVERFRONT RESORT AND SPA

at Beaver Creek Mountain Avon, CO

There is something special about entering the warmly appointed lobby of the Westin Riverfront Resort and Spa. The stunning views of Vail Valley beckon for outdoors adventures. Located at the base of Beaver Creek Mountain, the Westin is a resort for all seasons. In the warmer months, there's an incredible array of activities and outdoor festivals to choose from: biking, hiking, fishing, horseback riding, white water rafting, hot air ballooning, tennis, swimming and mountain Jeep tours. You can also tee off at one of three local golf courses. In the winter, you can head to the ski valet and hop into your heated boots. The gondola right out the back door whisks you directly to world class skiing at Beaver Creek Mountain. If you have forgotten anything, Beaver Creek Sports is on-site to help, and Vail Mountain is only a short ride away. Non-skiers have easy access to snowmobiling, ice skating, snowshoeing and family sleigh rides.

Guests can also choose to simply enjoy the indoor/outdoor pleasures of the resort: swim in the heated outdoor pool or relax in the three very inviting infinity hot tubs. The Westin's Spa Anjali is a complete wellness center featuring 14 treatment rooms. Re-align your mind and body with the Spa's own 'Himalayan Journey to Serenity' Package. There's also a full service salon, lap pool, and a gym with state of the art fitness equipment, as well as Spin, Pilates and Yoga studios. Adjacent to the spa is the Howard Head Sports Medicine Clinic, renowned for its innovative physical therapy techniques. Guests can vacation and rehabilitate at the Westin Riverfront while recovering from surgery or injury.

While parents get some adult time, at the Westin Kids Club, children ages 5-12 explore and have fun in programs that highlight the area's natural environment.
