TUE 5 BORDER AND PESTLE

Many people think of Mexico as one big vacation destination, not realizing the country is divided into states just like ours. As part of the Celebrate Mexico Now Festival, chef Richard Sandoval will offer a special five-course tasting menu that pays tribute to perhaps the best-known Mexican state, Oaxaca. Dishes include a duck breast with *mole negro*, and *buñuelos* (fritters) with sweet-potato compote. The meal, available for one night only, costs \$50 (\$75 with wine pairing), tax and gratuity not included.

Oaxacan musicians will provide live entertainment. No pesos, please.
Oaxaca Dinner. Maya, 1191 First Ave between 64th and 65th Sts. 5pm. For reservations and information, call 212-585-1818. \$50, with wine \$75.
