

THE LIST

ARE YOU ON IT?

- **Chef Richard Sandoval** is introducing yet another unique new concept to lunch at **Zengo** - his version of the Bento Box. We were invited by Chef Sandoval and Chef de Cuisine **Graham Bartlett** to sample some of the signature Zengo dishes that they are now offering. Guests have the difficult task of choosing each of three courses - one sushi course, one entrée, and rice. To make the selection process a bit easier, we milled through the menu while sipping a very light and refreshing mango mojito. The spicy tuna roll, dragon skirt steak (perfectly cooked) and the jasmine rice that we selected were beautifully presented in a traditional Bento Box. The boxes are brought to the table and then, almost magically, opened to present the selections inside. Added to each box is a green salad and vegetables. The Bento Boxes are offered during lunch Monday through Friday, and at the prefix price of \$20 are a deliciously fun (and stylish) way to enjoy lunch!
